NATIONAL INFORMATION DAY
“SUPPORT FOR MOBILITY, TRAINING AND CAREER DEVELOPMENT OF RESEARCHERS - MARIE SKŁODOWSKA-CURIE ACTIONS”

Recently Marie (Skłodowska)-Curie Actions (MSCA) have celebrated the 20th anniversary. Since 1996, M(S)CA have provided grants to train researchers at all stages of their careers – be they doctoral candidates or experienced researchers – while encouraging transnational, inter-sectoral and interdisciplinary mobility. To date, almost 100,000 researchers have benefited from the programme – among them 8 Nobel laureates and an Oscar winner. Only during FP7 MSCA fellows produced more than 25,000 publications. The aim of the event, which is organised by the Technology Centre CAS, is to present the programme as well as its achievements and impact.

Date: 5 April 2017
Venue: The Czech Academy of Sciences, Národní 3, Prague 1 (room 206)
